

## MANUFACTURER'S PRODUCT WARRANTY

*Aquarius Technologies Pty Ltd manufactures a quality range of equipment under high standards and warrants equipment of its manufacture to be free of defects in either material or workmanship. Liability under this policy is now extended to 36 months for controllers and circuit boards and 12 months for pumps and sensors from the date of manufacture.*

*The manufacturer's liability is limited to repair or replacement of any failed equipment or part of, which if proven to be defective in either material or workmanship upon the manufacturer's examination. No warranty applies to consumable items.*

*This warranty does not include removal or installation costs and in no event shall the manufacturer's liability exceed its selling price of such equipment or part. Aquarius Technologies Pty Ltd. disclaims all liability for damage to its products through improper installation, maintenance, corroded items or boards due to improper tightening of controller lid, use or attempts to operate such products beyond their functional capacity, intentionally or otherwise, or any unauthorised repair. Removal of barcodes voids warranty on all items.*

*Aquarius Technologies Pty Ltd. will not be responsible for any consequential or other damages, injuries, or expense incurred through use of its products. This warranty is in lieu of any other warranty, either expressed or implied. Aquarius Technologies Pty Ltd. make no warranty of fitness or merchantability. No agent of ours is authorised to provide any warranty other than that above. This warranty does not exclude any condition or warranty implied by the Trade Practices Act 1974 or separate State Laws in Australia and is in addition to any other right that the original purchaser or any subsequent purchaser may have under Australian law.*

*Should a unit fail to function normally, please contact our Customer Service Department by phone or email quoting Model and Serial Number, for initial discussion of the problems encountered and if necessary, to return the item for repair or replacement.*
